### Right said Fed

At the end of a sluggish week in equity markets Ben Bernanke, the Fed Chairman described the US economic outlook as "inherently uncertain" and "remains vulnerable to unexpected developments".

[Read more »](#)

### Winners & losers

It was a mixed week for some of Ireland's largest companies with half yearly results being met with a varying response from the market.

[Read more »](#)

### And finally...

Government bond yields in the UK, Germany and the US dipped to record lows early in the week as investors ran for safety on fears that some of the world's major economies are slowing sharply.
